### Safety Rules

1. Do not open the door for strangers
2. Do not invite friends over unless you first have the approval of the parents
3. If answering the phone, do not tell anyone you are the babysitter, simply say that the parents cannot come to the phone right now and offer to take a message,
4. If there is an accident or medical emergency, stay calm and call 911. The operator will guide you through what you should do.
5. If there is smoke or fire, gather the children and evacuate the building.

Go to: \_\_\_\_\_ and call 911 from there.

If the parents are not home by \_\_\_\_\_ and you have not had contact with them,  
then call the above alternate contact persons.
