If There is an Emergency, Go to the Phone and Dial 9 - 1- 1

### What is An Emergency?

If you are home alone and there is an accident

If you are home alone and someone tries to enter your home

If your Mom, Dad, or Babysitter has an accident and there are no other adults around

### How to do it

1. Go to the phone and dial 9-1-1
2. When the operator answers, tell him or her your name, age, and what happened.
3. Stay on the phone until the police, ambulance, or fire department arrive.

**If you feel nervous don't worry, the operator will tell you what to do.**
